Dear Kelvin;

The Ravalli County Board of Commissioners wish to recognize your heroic efforts on the evening of Wednesday, January 31st, at the scene of the traffic collision on Highway 93. We understand the conditions at the scene were hazardous, and your rescue attempts were initiated at great personal risk. You demonstrated courage and administered life saving aid without hesitation to another person during his time of need.

On behalf of the citizens of Ravalli County, we are extremely proud of your selfless and quick response to a member of our community. It is truly people like you that uphold and maintain our confidence in people. You emulate the true meaning of the word "citizenship". We are especially proud to have you as a member of our staff. Thank you.

Sincerely,
